AAMC 2020 proved to be a GREAT experience for all who had the opportunity to participate. Even in the virtual capacity, there were opportunities to network and make connections as if you were in person. Lots of great sessions and resources were shared and I look forward to what is to come for LSL 2021!

If you were unable to attend Learn, Serve, Lead 2020, please view highlights of the conference here: [LSL 2020 - A Virtual Experience](https://vimeo.com/481852665) - <https://vimeo.com/481852665>

The holidays are upon us and S.P.A.C.E. Leadership has been working hard over these past few weeks to create some new and exciting opportunities for our membership. Look forward for what is to come in 2021!

HAPPY HOLIDAYS S.P.A.C.E. IN MED ED!

ANNOUNCEMENTS

Southern Group on Educational Affairs (SGEA) 2021 – Staff Track

As some of you may remember, SGEA 2020 in Atlanta was to be the "birth" of the first SGEA staff track hosted at the SGEA annual meeting. While our plans were delayed, they were not denied. SGEA leadership saw the need for this necessary initiative and will be hosting it for **SGEA 2021**. As your S.P.A.C.E. chair, I will serve as the chair of the Staff Track planning committee.

As the details are still being worked out, I want to encourage you to please submit your proposals for the upcoming meeting in April, 2021. Please see information below on how to submit:

The GEA invites abstracts for interactive workshops, oral abstract presentations, and posters for the 2021 GEA Regional Spring Meeting. The GEA encourages submissions focusing on the theme of:

Innovations in equity, diversity, justice and inclusion across the medical education spectrum

There will be one call and submission site, however there will be avenues to submit to your specific region through this call and submissions will be reviewed and selected regionally.

To view the submission and review criteria click [here](#).

To submit a proposal click [here](#).

All submission are due on Sunday, December 13th at 11:59pm

Our goal is to drive a greater staff presence at the conference this year which will showcase your expertise and best practices with colleagues from other schools.
