P. 3

HAPPY 1 YEAR ANNIVERSARY S.P.A.C.E.

On July 22, 2020, Staff Professionals Across the Continuum of Education was born! We became an official special interest group recognized by the Southern Group on Educational Affairs (SGEA) to provide a voice for staff professionals working within Medical Education. Our mission was simple - create SPACE for staff for the purpose of sharing, collaborating, and networking among our peers. S.P.A.C.E. has created so many opportunities in the last year from collaboration with the CAIME SIG group, professional development sessions for staff professionals, the first **official** SGEA Staff Track conference, and now, an official "seat" at the table with the inaugural position of the Administrative Educators' representative on the SGEA Steering Committee! What a year!

As the saying goes, *"With great success comes greater responsibility."* We want to continue to serve and provide for our membership! It takes a community to help us grow and we need YOU! We want to use this celebration as an opportunity to expand the offerings for not only our SIG group and region, but for the benefit of other regions and even nationally. Check out the initiatives we are working on and see how you can get involved! Happy Anniversary S.P.A.C.E.!

STAFF PROFESSIONALS ACROSS THE CONTINUUM OF EDUCATION

Get Involved: S.P.A.C.E. Administrative Educators' Opportunities

Introduction Guide for Administrative Educators:

Are you a seasoned Medical Education staff professional that would like to help new staff professionals get acclimated to Medical Education? We are looking for a few staff professionals willing to help create an introduction guide or "blueprint" for staff needing help or guidance through being a new staff professional in medical education. If you are interested or would like more information, please contact Tyrese Hinkins-Jones at thinkin@emory.edu.

Administrative Educator Affinity Group of the Group on Educational Affairs (GEA) Proposal:

The excitement of the one year anniversary of S.P.A.C.E. has inspired us to want to expand this work beyond the regional scope of reach. We are working behind the scenes with the support of our SGEA leadership to create a proposal for an affinity group for administrative educators within AAMC. If you are interested in being apart of this initiative, please contact Tyrese Hinkins-Jones at thinkin@emory.edu or Kimberly Ford at kford@wakehealth.edu.

SGEA Staff Track 2022

If you are interested in assisting in the planning of SGEA Staff Track Virtual Conference, please contact Tyrese Hinkins-Jones at thinkin@emory.edu.
